

Digital SLR Housing for Canon's EOS Rebel T1i/500D and XSi/ 450D cameras.

RDX-500D

■ Housing(Housingonly) Product No 06150

SPECIAL OFFER

Easy mounting

Camera Quick Shoe for easy mounting and removal of the camera. Mounting of the camera becomes easy. There is no need for complicated position and gear alignments so even beginners can easily mount a camera.

Two Fiber-optic cable sockets

Simply connecting the Fiber-optic cable (L-type) to the connector, the light of the digital camera's built-in flash is detected and transmitted to an external strobe.

[Features]

○TTL auto adjustment available when using an optional YS Converter/C ○0.5x Pick-up viewfinder that makes it easy to see the whole field of view ○New type of easily operated shutter lever, excellent for quick snapshots and to avoid motion blur ○Large buckle structure (with lock function) ○Equipped with tripod socket on the bottom ○If you use the optional Grip-Stay L, you can hold the housing firmly with both hands ○Strong and durable build, with a depth rating of up to 60m / 200ft
